HARD WORKING SPIRIT

Innovative founders worked together to grow this small community from the roots.

Work-life balance and rural innovation have always been at our core and will continue to be the heart of our city.

Growth of Halstad is intentional. We are protective of our people and take pride in keeping our community safe.

THINGS TO DO

Disc Golf

The Halstad EDA, along with the Halstad Telephone Company's Community Cooperation Grant, purchased equipment for a 9-hole disc golf course. The course is located near the Glen Brookshire Boat Landing on the scenic Red River of the North.

Kayak Rentals

The Halstad EDA, along with the Halstad Telephone Company's Community Cooperation Grant, now has kayaks, paddles and life vests for use on the Red River or Grandin Lake. Please contact Halstad Municipal Utilities 218.456.2128 for more information or to make reservations.

City Parks

Bring your family or meet your friends at one of our two new city parks! Both parks are complete with updated playground equipment, swings, benches and picnic tables. The East Side park also has a nice shelter to rent with a kitchen. These parks are meticulously maintained by our city personnel and cared for by all that use them.

Other Activities

- Baseball Diamond
- Basketball Courts
- Creamery Hill (Downhill Snow Sledding)
- East Side Park
- Fishing/Ice Fishing
- Fitness Room
- Football Field
- Open Gym
- Park Shelter

EVENTS

The Halstad Economic Development Authority (EDA) collaborates with several other community groups to celebrate our community. We know a community is not made within the city limits, so we encourage all farm families and neighboring communities to be involved in our activities with us as well. We pride ourselves on making things happen in Halstad!

Spring Dinner

The Halstad EDA Spring Dinner is held each spring to celebrate the community and award those who are working hard to ensure our community thrives. This event is held at the LRC with a meal, entertainment, the Mayor's State of the City address, and award presentation for Citizen of the Year and Business of the Year.

Halloween Party

Dress up your ghosts and goblins and bring them for a day filled with family fun! The day typically begins with a breakfast by the local Lions Club. Past events have included a pumpkin carving/decorating contest, free kids games, pedal pull, youth dance, costume contests, video game contest, a dinner and an adult dance. Our community loves Halloween!

Santa Day

Halstad Community Club volunteers graciously invite Santa to Halstad each year to celebrate a fun day of holiday cheer! Santa has time to allow each child to visit about their year. He encourages the kids to spend the morning enjoying the Lions' famous Pancake Breakfast and sends them on their way with a bag of treats. Santa Day has been a tradition in Halstad for over three decades.

Internet/Telephone/Television

- Private e-mail accounts
- Local technical support
- Residential & Business phone lines with 99.9% reliability
- The Halstad Telephone Company is a member owned cooperative - annual cash-back dividend
- Direct fiber-optic network right to your doorstep with Internet speeds up to 1 Gig (1,000 Mbps)
- High-definition, DVR, On-Screen Caller ID, Voicemail notification

Cellular Service

- There is a cellular tower just outside of Halstad and the carrier AT&T works perfectly in town

Quality of Life

- Quiet safe town of 600 people
- Spirituality (Halstad & Augustana Lutheran Churches and Holy Family Catholic Church)
- Cost of living is below the national average
- Medical and dental facilities, child care, senior living and senior ride services, grocery store, library, bank, post office, salon, and more!

Education

- Open enrollment is Minnesota's public school choice option that allows students and parents to have access to schools that are not within their resident district
- There are a number of academic and athletic options available in the area

Location, Location, Location!

- Nicely located (at the intersection of Highway 75 and Highway 200) between Fargo and Grand Forks - only a 45 minute drive to either city
